

The first U17 tournament for Sršné Písek

The opening tournament of the U17 category was hosted by Slovakia's Žiar nad Hronom and there were many close matches and excellent youth basketball.

The tournament started with a very dramatic match between the home team MŠK BK Žiar nad Hronom and the Polish opponent ORLEN Akademia BM Stal , which ended with the home team winning by a single point.

This duel seemed to foreshadow the quality and balanced matches that were to be seen in Slovakia.

The highest quality was shown by the Czech team Sršni Písek , who lost to BK Lokomotíva Sered' on Friday, but otherwise scored 4 significant wins and deservedly took first place.

Two Slovak teams competed in a direct battle for 2nd place. After three quarters of the match between MŠK BK Žiar nad Hronom and BK Lokomotíva Sered' , the guests were leading 56:47. Then, unfortunately, the match had to be interrupted due to the arrival of an ambulance for one of the home players. After an agreement between the coaches and the representative of the competition, the match was not finished, and later the management of the competition decided to recognize the result that was valid at the time of the interruption. BK Lokomotíva Sered' takes the silver and the bronze goes to the organizing team.

The fourth and fifth places were occupied by two Polish teams, when WKK Wroclaw was happy over ORLEN Akademia BM Stal in a match between themselves.

The last rung belongs to the Austrian team Vienna DC Timberwolves , who stepped on Wroclaw at the end of the tournament and thus took away their chance to fight for medals.
