

Jelenia Góra the winner of the U14 tournament

At the third tournament this season, the Polish NBA team Jelenia Góra has already won the championship. Considering that this tournament was played from the spring, the winner has already played in the regular part this year.

Later NBA Jelenia Góra played several close matches at the tournament in Zieloná Góra. The biggest drama was brought by the duel with the eventual third team BC Swiss Krono Žary. In the end, the winner had to be decided by extra time, in which the boys from NBA Jelenia Góra were better by a single point.

The Slovak team BK Inter Bratislava was wedged between the two Polish teams. Although he lost to the later winners quite clearly by 30 points, he was 10 points better in the fight with Žary.

This tournament was very balanced, which is also evidenced by the fact that the teams below the podium were able to play very close duels with the medalists.

In the end, the host club Basket 4kids Zielona Góra took 5th place, beating Jižní Supi by a single basket in the fight for the only win.
