

NH Ostrava is the winner of The Finals U14

The second final tournament of this season was played at the weekend by the boys in the U14 category in the Polish city of Żary. The role of the favorite was confirmed by the BK NH Ostrava team, which did not find a winner in the tournament and took home the gold medals.

Four teams from Poland and two from the Czech Republic participated in the final tournament in the U14 category. The boys BK NH Ostrava came to Poland as the main favourites, who could not find a winner in the regular season and the same was true in the final. They ended the season with a record of 18 wins and 0 losses. This shows that this year's title is in the right hands.

The second place is taken by the players PGE Spójnia Stargard , who were not enough to win in the final. But they managed the key match in the semi-finals when, after a great drama, they overpowered WKK Wrocław only after extra time. However, WKK Wrocław made up for it all in the fight for bronze, where they beat BCM Olomouc and also took medals.

In the fight between two teams that finished in third place in the basic groups and did not advance to the playoffs, two balanced matches took place. In the Polish match between NBA Jelenia Góra and the host club BC Swiss Krono Żary both teams enjoyed one win, but 5 points in the score difference ended up playing in favor of NBA Jelenia Góra .
