

Chemnitz dares to win the U17 tournament in Olomouc

NINERS Chemnitz Academy wins the third tournament of the U17 category and wins with a match balance of 5-0. The most balanced match was played by the Chemnitz players against the WKS Slask Wroclaw team, where the final score difference was thirteen points in favor of the German team.

In Friday's program, Chemnitz easily coped with Poland's WKK and Slovakia's Karlovka with a difference of more than 35 points. On Saturday, Chemnitz flew in very hungry for the match against home team Olomouc, which, on the other hand, probably entered the match after a hearty lunch. The fate of the match was practically decided after the first quarter, when Chemnitz's lead was almost thirty points. Olomouc managed to lose the match by more than fifty points and could then finish off the afternoon nap. Olomouc, as the organizing team, showed a double face at the tournament, one could say both Jekyll and Hyde.

On Friday, they beat WKS Slask Wroclaw with their best performance, by six points. On Saturday, as already mentioned, they received a pick-up from NINERS Chemnitz Academy, which probably had a big impact on the players' psyche, and they almost didn't manage the match against WKK Wroclaw. On Sunday, with a win over MBK Karlovka Bratislava they confirmed their second place in the tournament.

The bronze medal goes to WKS Slask Wroclaw, which played an even match against Chemnitz, lost against Olomouc, and the medal was already secured by Friday's win over MBK Karlovka Bratislava by eight points.

MBK Karlovka Bratislava also left a good impression at the tournament, playing a balanced match with all the medalists except NINERS Chemnitz Academy. The teams WKK Wroclaw and HAKRO Merlins Crailsheim.
