

Inter Bratislava is the winner of the second tournament in the U12 category

A smooth path to victory in the tournament for BK Inter Bratislava. None of the participating teams could find a recipe for the game of Slovak Inter. The teams thus lose by a difference of more than thirty points, except for the AK Orly team, which, thanks to a missed finish by Inter, loses by a difference of sixteen points.

Friday's match program took place in a calm spirit with clear differences in the results of individual matches. The only team that wanted to disturb this peace came to the tournament from Písek. The hornet swarm first sharpened its stings against AK Orly Wrocław, where in the end it was not successful and lost by a difference of twelve "stings", only to be properly stung by another Polish team from Zieloná Góra by fourteen "stings".

Saturday's program took place in a similar spirit to Friday's program, and future medalists BK Inter Bratislava, AK Orly Wrocław, Sršni Písek won their matches by comfortable margins. The home team AK Stal Ostrów Wielkopolski showed an effort to turn things around in the match against Písek, where the half-time score gave them hope of a decent result, but in the end they could not get the desired win. A similar situation took place in the match between AK Orly Wrocław and SKM Zastal Zielona Góra, where the latter team lost only five points before the last quarter, but could not find the strength to turn it around.

Sunday's program only confirmed the event, when Inter duly blunted the stings of Písek. Wrocław had no mercy with Beksa and handed her a loss of more than fifty points on the way to Pardubice. And in the end, the home team did not find a recipe for the game of another Polish team from Zieloná Góra and thus ends up in fifth place in the tournament.
