

WKK dominated the U14 tournament in Ostrava

A very high-quality tournament took place in Ostrava. As many as four teams could think about overall victory in the tournament. The WKK Wrocław team demonstrated the highest quality and deservedly took gold medals from the fourth U14 tournament.

The tournament started with a match between the home team Academy NH Ostrava and SCC Ploskyriv of Ukraine. This match seemed to indicate what fights we can expect in the entire program of the tournament. The home team, which is one of the best that our republic has to offer, encountered tough resistance from the Ukrainian team. The Ostrava team experienced something that does not happen to them very often in the domestic competition, namely a loss by 12 points. The later winner of the WKK Wrocław tournament first comfortably dealt with the Lublinianka, then confirmed their quality when they also defeated the Ukrainian SCC Ploskyriv by a higher margin.

Another team that could have medal ambitions came to the tournament from nearby Opava. On Friday, Opava had a quiet schedule, first defeating Handlova by more than thirty points, then closing the program of the day with an even bigger win over Lublinianka KUL Basketball. However, Saturday's schedule dulled their ambitions as they lose to both WKK and SCC Ploskyriv by a higher point difference. On Saturday, there was also a match in which a single basket decided the result, between Handlova and Lublinianka. Slovak Handlová was happy about the win, but the only one in the tournament.

On Sunday, the favorites already confirmed their medal positions with clear results.
