

BBA Komárno wins the sixth tournament in the U15 category

BBA Komárno wins the tournament in Trnava with a score of 5:0. They had the most work with the German team HAKRO Merlins Crailsheim, with whom the difference in score was only four points. For the other teams, the score difference in the matches with Komárno was double digits.

The home team from Trnava easily lost to HAKRO Merlins Crailsheim in Friday's program and subsequently "caught the later silver medalists from Teplice". In the second match of the tournament, BC Swiss Krono Żary, a regular participant of CEYBL tournaments in several categories, first lost to Komárno, and then improved their appetite in the last match of the day with a win over SKF Jura Basket Zabierzów. Teplice did not have their day on Friday, first a long struggle in the match with SKF Jura Basket Zabierzów, but ended with a win by eight points. In the second match of the day, the home team of Trnava won its only win in the tournament over them.

Saturday offered a completely different picture of the team from Teplice, first of all their spells were better than those of the magicians from Crailsheimu, probably even Harry Potter would envy them. In the second match, they take a win over the strong Polish team BC Swiss Krono Żary. The Trnava home team could not cope with either Żary or Komárno.

On Sunday, first the magicians did not manage their match with Żary, then Komárno dominantly confirmed their victory in the tournament over Teplice, to close the tournament with a duel between home team Trnava and Polish SKF Jura Basket Zabierzów. Slávia Trnava fought and for the whole match was closing in on the small lead of the Polish opponent, which was only two points before the fourth quarter, but in the end they did not manage to break the game in their favor.
