

Basket 4kids Zielona Góra takes victory in the U15 tournament

Basket 4kids Zielona Góra was the only undefeated team at the twelfth U15 tournament series hosted by Žďár nad Sázavou and deservedly won gold medals. The order of the other medal positions had to be decided by the mini-table.

The tournament traditionally started with the home team playing against the German team Mitteldeutsche Basketball Academy . The Wolves entered the match very actively and in the first quarter they built a double-digit lead, which they maintained throughout the match, playing with enthusiasm and deservedly winning. The second match of this tournament offered a Polish-Slovak duel. The opponents were later medalists Basket 4kids Zielona Góra and BBA Komárno . Komárno entered the match better and scored a slight lead in the first quarter. In the further course, they stopped being successful in finishing, their self-confidence decreased and they eventually lost by a difference of fifteen points. The first round of the competition is closed by a duel between the teams Oberpfalz Hunters and UKS Piatka Ostrów Wielkopolski . A close match, which the Polish team did better and won by a difference of seven points. A nice match was offered by the duel between the home Wolves and the Polish 4kids. The Wolves kept up and were an even match throughout the first half. The decisive moments came in the third quarter, when the 4kids team built a double-digit lead that they held until the end of the game.

Saturday's program offered a big surprise in the match between the German Mitteldeutsche Basketball Academy and the Slovak BBA Komárno . Komárno was the clear favorite according to the previous matches. However, they did not manage to play their role and even thanks to the enthusiastic performance of the German team they lost by a difference of only one basket. A great match full of twists and turns and especially in a wonderful atmosphere.

Sunday's program offered a clear win for 4kids in the derby with UKS Piatka Ostrów Wielkopolski , confirming their triumph in the tournament. The last match of the tournament offered a real treat in the duel between the home team Vlci Žďár nad Sázavou and BBA Komárno.

Jednalo se o přímý souboj o medaile. "Karty byly rozdány jasně", v případě výhry domácího týmu, ten bere stříbro a Komárno je bez medaile, díky klopýtnutí s Mitteldeutsche Basketball Academy. Domácí tým měl situaci složitější, ten bere stříbro v případě výhry nebo prohry o 10 a méně bodů. Domácí tým před utkáním působil velmi koncentrovaně a sebevědomě. Komárno po kolapsu s MBA vykazovalo zlepšené výkony ai ono mělo zdravé sebevědomí.

Turnaj uzavřelo nádherné utkání, do kterého Komárno vlétlo jako uragán a ihned v první čtvrtině získává náskok, který mu zaručuje stříbro. Vlci bojují věrní svému zvířecímu původu a několikrát se dostanou na průběžný výsledek, který by jim zaurčil stříbro. Bohužel pro ně, vždy v této situaci udělají nějaké chyby a náskok Komárna se zvýší. Hráči bojují o každý míč, vrhají se na palubovku, aby získali každý "volný balón", bojují. Nakonec Vlci nenachází recept na nadšenou hru Komárna a zbývají pro ně bronzové medaile.
