

PGE Spójnia Stargard wins the U17 tournament

Stargard secured a ticket to the final tournament in the eighth round of the U17 category with their victory. However, the Polish team did not have an easy road to the final tournament despite a 4-0 record.

The opening match of the tournament was a duel between the home team and the Polish team PGE Spójnia Stargard. The whole match was very even, in the first quarter the home team Jena dominated, building a slight lead. In the further course of the match, the Polish team took over the reins of the match and eventually won by six points. In the second match, the Polish team WKS Slask Wroclaw thoroughly beat the Czech team Královští Sokoli Hradec Králové, kdyby však jen tento ambiciózní polský tým tušil, že je to jeho vítězství na tomto turnaji poslední. In the third match, the last participant of this tournament was involved - the Polish team WKK Wroclaw, which is the organizer of the final tournament and has definitely shown an upward trend in its performances. Stargard, which was their opponent, had to pull out all its trump cards to win the desired victory.

Saturday brought many close matches, right up until the first match. The derby between the Wrocław teams was the most interesting. At first, Slask dominated, winning the first half with a ten-point cushion. In the second half, WKK turned on a higher performance level and thus won a narrow victory by four points.

Sunday offered only two matches, as the tournament had exceptionally only five participants. Hradec Králové played a decent game with WKK, which confirms the bronze medal. And in the last match of the tournament, the home team challenged the Polish WKS Slask Wroclaw. Jena, excited by its performances at the tournament, did not give the Polish team a chance to think about winning and with the win confirms the silver medal.

Final tournament standings:

1. PGE Spójnia Stargard (Poland)
2. Science City Jena (Germany)
