

WKK Wroclaw wins The Finals U17

The winner of The Finals in the U17 category for the 2024/2025 season is the WKK Wroclaw team. Congratulations.

This final tournament was prepared in a format for 8 teams, two groups of four. The system was absolutely ruthless, if you want to win gold medals, you have to ideally win all 4 matches in the tournament. The team that wins the group goes to the match for gold, the second team in the group plays for bronze and so on. On Friday and Saturday, group matches are played, on Sunday, the match for placement.

Group "A" included WKK Wroclaw , PGE Spójnia Stargard , Academy NH Ostrava and MBK Karlovka Bratislava . Group "B" featured BKM Iskra Svit , NINERS Chemnitz Academy, WKS Slask Wroclaw and Korona 1919 Krakow .

In Group "A" on Friday, WKK defeated Ostrava after a close match. In the second match of the group, Stargard won over Karlovka Bratislava. In Group "B" Slask Wroclaw managed to beat Krakow and Svit won over Chemnitz.

Saturday afternoon offered a great Polish basketball derby between the home team and Stargard. High intensity, balanced match, the lead was exchanged from side to side, in the end the home team took the victory. Karlovka also showed that it deserved to be in the tournament. In the afternoon match, it played a completely balanced duel with the home team and despite the final loss, it showed a nice performance. Ostrava, which entered the match with Stargard disastrously, also showed its strength even with the limited lineup it had at its disposal in this tournament, coming within striking distance from a twenty-point deficit at halftime, but it could not find the strength to break through.

In group "B" the situation was more complicated. First Slask surprised Svit and won in a dramatic match by a single point. When Svit was leading by three points in the final, he had a so-called "bonus foul" and the unexpected happened, he allowed himself to make a three-point basket with a foul one second before the end. Slask converted the free throw. After a time-out, the final action ended with an attempt to smash into the rim, when the ball bounced out and Svit lost. Subsequently, Slask played with the Niners for first place in the group. Something unexpected happened and Slask, as a favorite, lost to the Niners and thanks to this, the mini-table of three teams was decided. The greatest joy was brought to the Slovak team, which reached first place in the group, followed by the Niners and the eyes of WKS Slask Wroclaw team remain with tears.

On Sunday, MBK Karlovka Bratislava defeated Korona 1919 Krakow to move into seventh place. Academy NH Ostrava took a beating from WKS Slask Wroclaw , but it must be added that Ostrava fought bravely and, thanks to a limited squad, put in a fearless performance.

An absolutely amazing match took place in the match for third place. PGE Spójnia Stargard and NINERS Chemnitz Academy show physical play, great individual performances, a completely even match for three quarters, which the German team only wins in the end. You want to watch such a match again and again.

The Grand Final also deserves special attention. BKM Iskra Svit and WKK Wroclaw put in a fantastic performance. In the end, the more collective performance of the home team was decisive, and they deservedly became the winners of The Finals in the U17 category in the 2024/2025 season. Congratulations.
