

WKS Slask Wroclaw wins the U15 tournament

The first tournament of the U15 category took place in the Polish city of Strzelce Opolskie. The tournament was won by the Polish team WKS Slask Wroclaw with a score of 5:0. The strongest resistance to Slask was the home team.

Traditionally, the tournament started with the home team and their opponent was BK Opava . Opava was slightly ahead throughout the game, after the third quarter the lead even climbed to twenty points and Opava deservedly won. The second match of the tournament was also Czech-Polish. The teams BCM Olomouc and KS Korona 1919 RadwanSport Kraków are showing one of the most unequal matches in the tournament. Olomouc entered the game well and gained a double-digit difference in the score. In the third quarter, they lost their lead, Korona reached an acceptable difference of five points, but they did not find the strength to turn the game around and Olomouc defended its narrow lead. In the third match of the day, the Polish team WKS Slask Wroclaw easily dealt with the German team Academy Potsdam .

There was only one even match on Saturday. And it was, as it turned out later, a match for fifth place in the tournament. The teams from Krakow and Potsdam are playing a perfectly even match. After the third quarter, Korona is enjoying a six-point lead, which they eventually increase slightly and win thanks to that. The other matches do not offer any major dramas and end with a difference of more than twenty points in the score. The favorites confirm their ambitions.

On Sunday, the last match of the tournament was interesting, when the home team challenged another Polish team, Korona Krakow. After the first quarter, it seemed that this would be a clear-cut matter for the home team. After the third quarter, the home team even leads by a difference of thirty-five points. In the last quarter, a completely different Korona came on, their players suddenly filled the pitch. They fight for every ball, hitting hard shots. In the end, however, the improved performance was not enough to win.
