

BC Swiss Krono Żary wins U15 tournament

The fourth tournament in the U15 category was hosted by the Polish city of Żary. And the home team was also the one that showed the best performance in the tournament and is happy to have won gold medals.

The home team BC Swiss Krono Żary faced the Austrian team Vienna Timberwolves in the first match of the tournament. Vienna surprised the home team with an active game and gained a small lead after the first quarter. The home team then took over and gained a solid lead in the rest of the match. In the last quarter, Vienna significantly reduced the home team's lead, but they could not find the strength to break the deadlock. In the second match, the German team Young Rasta Dragons practically decided the fate of the match with the Polish team Lublinianka KUL Basketball in the first quarter, when they created a double-digit lead. In the last match of the first round, the selected team of the Central Bohemian region CB Basketball played against the Polish team Jura Basket TS Wisła . A very even match, where the lead was flowing from side to side, was eventually won by the Czech team. CB Basketball was also in another even match on Friday's program, this time the Czech team was in the lead for three quarters over the Austrian team Vienna Timberwolves . In the end, however, they could not maintain their concentration in the last quarter and Vienna won a narrow victory.

Saturday offered only one even match, and that was in the first game of the day, and it was Vienna again. The Austrian team was pulling the "short end of the rope" for three quarters with the Polish team Lublinianka KUL Basketball . In the fourth quarter, they significantly increased the pace and took the game to overtime. In that, Vienna managed to turn the game around and win.

On Sunday, a balanced Polish match between Lublinianka KUL Basketball and Jura Basket TS Wisła was interesting. Lublinianka won this match mainly thanks to a wider rotation of scoring players. The tournament was closed by the home team, which allowed itself to gamble a little with its position in the table in a match with the CB Basketball team. A very balanced and fighting match, where in the end the home team managed to win by a difference of six points and thus confirmed the gold medals.
