

NINERS Chemnitz Academy wins U12 tournament

The second tournament in the U12 category was hosted by Ostrava. The winner was the German team NINERS Chemnitz Academy with a flawless record of 5:0.

Friday's program began with a match between the home team Academy NH Ostrava and the German team NINERS Chemnitz Academy. Ostrava entered the match actively and was the better team throughout the first half. The second half was better for the German team, which won by eight points. In the second match, Oknoplast Inter-Bud Kraków did not give another Polish team UKS MOS Opole a chance to think about winning. The last teams to join the tournament are the BK Inter Bratislava team from Slovakia and AK Orly Wrocław team from Poland. Inter entered the match better and gained a five-point lead, then the Polish team took the initiative and led the match to a victorious end.

The Ninners play two important matches to determine the overall standings, first after a fight on Friday they defeat Wrocław and then on Saturday morning they play another fight match with Krakow, in which they also manage to win. The dramatic match took place between Ostrava and Bratislava. Ostrava maintained a small lead of three to five points for the first three quarters, but they could not manage the final and Inter thus obtained the closest possible victory by a difference of one point.

On Sunday, the most interesting match was the even battle for second and third place. It took place between the teams from Krakow and Wrocław. Wrocław entered the match better and gained a double-digit lead in the first quarter. Krakow erased Wrocław's lead point by point and at the end of the third quarter gained a slight lead of one point. However, this cost them a lot of strength and Wrocław again turned the lead in the match to their side and won by a difference of four points. The AK Orly Wrocław team thus won silver, while Oknoplast Inter-Bud Kraków team was left with bronze, which the players were very happy about anyway. The players of the NINERS Chemnitz Academy team won the gold medals.
