

ŠBK Galaxy Košice wins the U15 tournament

The fifth U15 tournament was hosted by the Polish city of Opole. The tournament was won by the Slovak team ŠBK Galaxy Košice, a newcomer to CEYBL tournaments.

In the opening match, the home team UKS MOS Opole did not play nice at all with another newcomer to our tournaments, the German academy VR Bank Würzburg Akademie. The home team literally swept the German academy by a margin of more than forty points. The second match offered a Czech derby between the teams Basketpoint Frýdek-Místek and Snakes Ostrava . These teams certainly know each other well due to their geographical proximity. In this match, the "snakes" slightly strangle Basketpoint's ambitions and thanks to this they win by a margin of eight points. In the last match, the teams ŠBK Galaxy Košice and AK Stal Ostrów Wielkopolski enter the tournament. Košice enter the match actively and score a small lead. Despite their great efforts, Stal loses the match by a margin of nine points. Basketpoint managed to win over the home team, even though it lost several points throughout the first half. An improved performance in the second half of the match brought them a win by only one point.

Early on Saturday morning, Opole lost another close game, this time against another Polish team AK Stal Ostrów Wielkopolski . The home team lost several points throughout the game. In the final minutes, they managed to come within a single three-pointer, but failed to turn the game around.

On Sunday, Košice clearly beat the German academy from Würzburg and won the gold medals. Basketpoint defeated AK Stal Ostrów Wielkopolski in a direct fight for bronze. And the "snakes" from Ostrava confirmed their silver medals after winning over the home team.
