

NINERS Chemnitz Academy wins U12 tournament

The sixth tournament in the U12 category took place in Brandýs nad Labem. The gold medals were won by the German team NINERS Chemnitz Academy with a flawless record of 5:0.

In the first match of the tournament, the eventual winner, the German team NINERS Chemnitz Academy did not give the Slovak team Strojár Malacky a chance to think about winning. In the second match, the Polish team AK Orly Wroclaw was not enough for the Czech team Basketpoint Frýdek-Místek, although this match was much more even than the first match of the day. In the last match of the first round of the tournament, the Polish team NEFROMEDICA UKS SP27 Katowice was not enough for another Polish team Oknoplast Inter-Bud Kraków. The most even match came at the end of Friday's program, where Katowice defeated Wroclaw by a single point.

On Saturday, the most tension was in the morning matches. First, Chemnitz lost to Krakow for three quarters, but finally won by thirteen points. In the second match, Frýdek-Místek resisted Katowice in vain and lost by eight points. The next match of the day ended with a higher margin.

Dramata prepared the tournament for Sunday's program. Frýdek - Místek won in overtime by just one point after a very even match with Krakow, and even that did not help them to overtake their opponent in the overall tournament table. Oknoplast Inter-Bud Kraków won the silver medals and Basketpoint Frýdek-Místek won the bronze medals. The second match was also very even, Malacky was not enough for Katowice in the end and neither team had medals left. And a good portion of basketball ended the tournament. In this match between NINERS Chemnitz Academy and AK Orly Wroclaw the decision had to be made only in the second overtime, which was better handled by the German team led by their leader Kaio Dellingem, who also became the best scorer of the tournament together with Krakow's player Dawidem Parzochem. The participation of our MVP of the tournament brought another benefit, as some of the matches of the tournament were photographed by his sister Pelagia Delling, who was the same age. Which is a great feat and highlights how our CEYBL community connects.
