

BK VIVIDBOOKS Pardubice wins the U12 tournament

The eighth tournament of the U12 category took place in Brandýs nad Labem. The victory in the tournament was won by the Czech team BK VIVIDBOOKS Pardubice, which also won against the German team NINERS Chemnitz Academy, which has not been defeated so far this season.

Paradoxically, the "final" match took place right at the beginning of the tournament. The Czech team BK VIVIDBOOKS Pardubice meets the German team NINERS Chemnitz Academy . Chemnitz plays the role of a favorite in the first half of the match and gains a lead of several points. However, the second half of the match belonged to "Beksa", which increased the pace of its game and eventually won by six points. The second match saw a duel between two Polish teams, namely SKM Zastal Zielona Góra and WKK Wroclaw . Here, Zastal was more successful, although WKK did not give it anything for free. The last participants who are involved in the tournament are the Slovak team BK Inter Bratislava and the Polish team UKS MOS Opole . Here, Inter entered the match strongly, which also determined the subsequent course, when Opole tries to turn the match around, but the Slovak team is "firm in its grip" and thus wins the first win in the tournament. Later it turns out that this was also the last win of the Slovak team in the tournament.

On Saturday, we had the opportunity to watch most of the matches, where the differences in scores are quite large.

On Sunday, WKK defeats Opole, but even that is not enough for the medal positions. Chemnitz clearly confirms its position in the table in the match against Inter and wins by a large margin, thus confirming the winning of silver medals. In the last match of the tournament, "Beksa" defeats Zastal and wins gold medals. Zastal receives bronze medals for its performances.
