

GEN Gaz Energia Tarnovia Tarnowo Podgórne the winner of the U13 tournament

The eleventh tournament of the U13 category took place in the Polish city of Tarnowo Podgórne. And the home team used its environment perfectly and won the tournament. Which brought them gold medals and,

possibly, a ticket to the final tournament.

In the first match of the tournament, the home team GEN Gaz Energia Tarnovia Tarnowo Podgórne challenged the Slovak team BSC Bratislava to a duel. And the Slovak team was the first to feel the energy with which the home team enters the tournament and loses relatively heavily. The second match offered a duel between the Polish teams UKS MOS Opole and SKM Zastal Zielona Góra . And the latter team took the reins of the match firmly into its own hands and in the middle of the match it was practically decided. The third match offered a duel between the Czech teams Academy NH Ostrava and Basket Poděbrady . Ostrava kept pace with the favorite from Poděbrady for three quarters of the match, but in the last quarter it ran out of breath and lost by a double-digit margin.

On Saturday, BSC had to fight hard for victory against Opole, which they eventually succeeded in. BSC "sells" the acquired experience in the afternoon program, where they quite unexpectedly defeat Zastal in a balanced match and thus properly shake up the tournament table. Zastal was apparently noticeably tired from the difficult match against Poděbrady in the morning program, which they also lose.

On Sunday, Ostrava defeats BSC. And thanks to that, the Slovak team lost the bronze medal. Ostrava goes home with a better feeling, because it completed the entire tournament with a truncated lineup and the win on the road certainly pleased it. Poděbrady comfortably confirms the silver medal with a win over the team from Opole. In the last match, the home team defeats Zastal at a leisurely pace and confirms the gold medal. Zastal wins the bronze medal thanks to a better score with the BSC and Academy Ostrava teams.
