

BK Opava wins the U15 tournament

The 14th tournament of the U15 category took place in the Slovak city of Košice. The winner of the tournament was the Czech team BK Opava. Opava secured a ticket to The Finals U15 by winning this tournament.

Friday's program brought a match with a larger point difference. First, the home team ŠBK Galaxy Košice easily dealt with the Polish team AK Stal Ostrów Wielkopolski 'B'. The second match between the Czech team BK Opava and the Polish team PGE Giek Turów Zgorzelec was not as clear-cut as the first match of the tournament, but it was still basically decided at halftime. AK Stal Ostrów Wielkopolski 'B' did not succeed in the tournament in the second match in the derby with another Polish team BC Swiss Krono Żary, but it cannot be denied that it had an improved performance than in the match with the home team.

Saturday's first two matches end with a high point difference. Only match number three of Saturday's program brings a balanced duel. Košice and Żary play a very balanced and combative duel. Although the home team wins by a difference of thirteen points, the match was more balanced than it might seem at first glance based on the result.

On Sunday, Zgorzelec missed a chance for a bronze medal due to a bad start to the match, and the Żary are happy. The final match of the tournament is a direct fight for gold medals, and the match is played accordingly. Opava holds a single-digit lead in the first and second quarters. In the third quarter, the home team pushes and takes a lead by several points. In the last quarter, the game becomes even more even, and in the end, the Opava team wins the gold medal, and the home team wins the silver medal.
