

Season 2019/2020 definitely over! New season 2020/2021 postponed!

With regard to the development of the coronavirus pandemic, we were forced to definitively end the 2019/2020 season. Categories U14 and U16 will therefore remain unfinished!

We have registered a lot of interest from clubs for this year's 2020/2021 season. There are 4 categories of boys prepared as follows:

U13 - 8 teams

U14 - 10 teams

U16 - 10 teams

U18 - 8 teams

Unfortunately, the second wave of the pandemic came in the autumn and it does not currently allow tournaments to take place. Tournaments scheduled for September and October have been postponed. A similar fate awaits the November and December tournaments.

We expect the tournaments to move to spring and summer 2021.

We will inform you about the next course.
