

The second U15 tournament was dominated by the players of WKK Wrocław

For the second week in a row, the tournament was played in Slovakia, but this time it was in the U15 category, and the victory goes to Poland, when the players of WKK Wrocław did not find the winner.

At the second stop of the U15 category in Trnava, Slovakia, there were many balanced and dramatic matches. After all, the winning team WKK Wrocław, which did not find a winner in the tournament, won in two duels with a difference of only one basket.

The second place remains in Slovakia, specifically with the newcomer of our competition AKAPO Lučenec.

Bronze will be taken by Dresden Titans in Germany, who were able to significantly trouble even the victorious Wrocław.

The second Polish team, SKM Zastal Zielona Góra, was a very good juice for the later winners at the very beginning of the tournament and reached for victory. However, he did not follow up on this result in the following matches and thus finished fourth.

The fifth and sixth positions remain at home, while fifth were the boys from MŠK BK Žiar nad Hronom, who relegated the host club Slávia Trnava to last place.
