

BM Stal dominated the last U17 tournament

The final tournament of the regular season in the U17 category was hosted by Germany's Jena, and there were several dramatic matches and quality youth basketball. The best form was shown by the players of ORLEN Akademia BM Stal Ostrów Wielkopolski, who won all 5 matches.

The toughest test awaited the later winners from ORLEN Akademia BM Stal in the very first duel, when they turned a seemingly lost duel against the Austrian team Vienna DC Timberwolves in the very end. In the end, the Austrians ended up in third place, as they lost by just 3 points even in the final against the second Polish participant WKK Wroclaw . It is WKK who take the silver.

In the last duel, two German teams fought for the final position on the 4th and 5th place, and the boys from the host club Science City Jena finally scored the only win in the tournament. The last place without a win was Frankonia Nürnberg .
