

Bamberg converted its premier participation in the victory

The German team Freak City Bamberg replaced the relegated Vienna in the U17 category and was able to win at its first tournament in Poland.

Later winners Freak City Bamberg showed high quality throughout the tournament, losing only to Science City Jena in the German clash. Since Jena lost the next two games, Bamberg with a 4-1 record finished right away in its premiere in the competition for victory.

The Polish team UKS SP 27 Katowice has the same record as the winner. However, Bamberg was better in the head-to-head match, winning by a margin of 30 points.
