

AK Orly Wroclaw wins the U13 tournament

The third tournament of the U13 category was hosted by the city of Ústí nad Orlicí. The Polish team AK Orly Wroclaw won the tournament in a start-finish style.

The first match of the tournament was, as it turned out later, a fight for silver medals. The home team BA Young Diamonds challenged the German team Academy Potsdam, who arrived at the tournament with a tight rotation of only eight players. In the end, this turned out to be an advantage, as the players of the German team in a tight rotation performed well and the home team lost after a balanced end by a difference of three points. In the second match, the Slovak team BSC Bratislava clearly defeated the Polish team AK Stal Ostrów Wielkopolski. The last match of the first round offered a Polish derby and the team KS Korona 1919 RadwanSport Kraków will definitely not remember it well, as the team AK Orly Wroclaw sweetened their entry into the tournament properly and won by more than seventy points.

Saturday's program did not offer many close matches and no major twists. Wroclaw and Potsdam thus gained two victories. Krakow and Young Diamonds have a 1:1 record and the teams BSC and Ostrów Wielkopolski did the least well, finishing Saturday without a win.

On Sunday, the AK Orly Wroclaw team confirmed their gold medal win by defeating another Polish team AK Stal Ostrów Wielkopolski. The drama unfolded in the second match, when Krakow thoroughly tormented the tired Potsdam players. Krakow dominated the match for more than half of the match with its best performance of the tournament, then made several mistakes and the lead turned over to the German team. Krakow tried to turn the match over to its side again. Potsdam finally defended its victory by just one point with all its might. The tournament was closed by the home team, who won over the team from Bratislava.
