

NBA Jelenia Góra wins U16 tournament

The second tournament in the U16 category was hosted by the Central Bohemian town of Brandýs nad Labem. The Polish team NBA Jelenia Góra won the tournament with a completely dominant performance.

The first match of the tournament offered an exciting duel between the home team BK Brandýs nad Labem and the Ukrainian team SCC Ploskyriv . Brandýs lost several points in the score throughout the match and eventually lost to the Ukrainian team by five points. In the second match, the Polish team NBA Jelenia Góra almost drove the Czech team Vlci Žďár nad Sázavou to the forests, where wolves usually live. The last match of the first round was the Slovak derby between the teams MBK Karlovka Bratislava and BK Pezinok . The team from the capital of Slovakia was more successful, determining the tone of the match in the first quarter, where they gained a double-digit lead. On Friday, another interesting match took place, when the home team Brandýs nad Labem tested the future winner of the NBA Jelenia Góra . Who would have expected any drama when the difference was almost twenty points at halftime. However, Brandýs decided not to give his skin away cheaply and finished powerfully, but he did not have enough time to turn the game around and so he lost by a margin of eight points.

Further dramas were offered only on Sunday morning, where Karlovka, who played a decent match with the NBA on Saturday afternoon, showed their best performance of the tournament and defeated the Ukrainian team SCC Ploskyriv . This match really messed up the table for us and the order in second to fourth place was decided by a mini-table of three teams. Brandýs performed best here, winning silver, bronze goes to Ukraine and the "potato medal" was left for Karlovka. The NBA Jelenia Góra won gold after a smooth win over the Slovak team BK Pezinok .
