

Gromy Nowy Tomyśl the winner of the U14 tournament

The sixth tournament of the U14 category took place in the Polish city of Nowy Tomyśl. And the home team was also the one that won the championship in this tournament.

The home team Gromy Nowy Tomyśl entered the tournament with a duel with the Slovak team Nitra Blue Wings Academy. The home team gained a slight lead of three points after the first quarter, but then lost it in the second quarter and Nitra took a two-point lead. In the second half of the match, the home team really "pedaled" and won by fifteen points. In the second match, there was a duel between two teams from the Polish city of Wrocław, namely AK Orly Wrocław and WKK Wrocław. Orly did not treat their fellow countryman at all and defeated him by a significant margin. The next match on Friday was between the Czech teams BK Gapa Hradec Králové and BK VIVIDBOOKS Pardubice. Hradec Králové won the first half, in the second half "Beksa" entered a higher performance level and finally won by seventeen points. On Friday, the home team played a close game against another Polish team, Orly, who took a one-point lead in the first half. In the second half, the lead shifted to the home team, who won by eleven points.

On Saturday, the team from Hradec Králové played its best performance of the tournament. After Friday's win, WKK did not even scare the home favorite and really overwhelmed him. At halftime, the difference was only one point, and in the end, thanks to a few minor mistakes, Hradec Králové lost by six points in the final. In the next match, Nitra played with fate in a duel with WKK. After the third quarter, they led by almost twenty points and in the end, they defended the victory in the match by six points.

On Sunday, Hradec Králové, mainly due to a bad start to the match, gave the win to Nitra, who thus won the bronze medals. In the second match, AK Orly Wrocław thoroughly overtook Beksa from Pardubice. Beksa set the pace of a donkey in this match rather than the racehorse it is known for, allowing the Orly to comfortably confirm the silver medals. In the last match of the tournament, the home team confirmed the gold medals thanks to a win over WKK Wrocław team. The order for fourth to sixth place had to be decided again by a mini-table of three teams. Here, Beksa had the best score from mutual matches, followed by Hradec Králové, and the order is closed WKK Wrocław.
