

SKM Zastal Zielona Góra wins the U12 tournament

The fourth tournament in the U12 category took place in the Polish city of Zielona Góra. And the home team took full advantage of the familiar environment and won gold medals.

The tournament started as usual with the home team SKM Zastal Zielona Góra, who challenged another Polish team UKS MOS Opole. And the home team entered the tournament in a "full field" and beat their opponent by a large margin. The second match was a "different coffee" when the Slovak team BSC Bratislava, who initially led slightly during the match, subsequently lost its lead and after the third quarter lost to the Polish team BC Swiss Krono Żary by nine points. However, the twists and turns were not over and BSC won by a difference of three points in the end. In the last match of the first round of the tournament in the duel of Czech teams Sršni Photomate Písek beat Academy NH Ostrava by a difference of almost twenty points. In its second match of the day, Zastal had to find a suitable "repellent" to ward off the annoying Sršňi. They "stinged" successfully throughout the first half of the match, but Zastal blunted the stings of the Sršňi in the second half of the match and won by six points. Ostrava fought back after a direct challenge from the Hornets and won over BSC.

On Saturday and partly on Sunday the results are quite clear and the teams aspiring for medal positions are successfully defending their positions. In the last match of the tournament Ostrava tried to reverse the position in the medal positions, when in the middle of the match the score was almost equal with the home team. However, the home team took the initiative in the second half and did not let the victory in the tournament be taken away. Ostrava "remains" with the bronze medals also thanks to the loss to Písek on the first day of the tournament. Písek therefore wins the silver medals.
