

Oknoplast Inter-Bud Kraków wins the U12 tournament

The seventh tournament of the U12 category took place in Krakow. And the home team, which swept through the tournament "like a knife through butter", won gold medals. None of the other teams put up any significant resistance to the home team.

The opening match of the tournament was played by the home team Oknoplast Inter-Bud Kraków and its challenger is the Czech team Sršni Photomate Písek . Písek played a solid half of the match with the home team, but the third quarter was fatal for them, when the Czech team scored a single point and the fate of the match was practically decided. In the second match of the tournament, the first half was also balanced. Again, it was a Polish-Czech duel between the teams Polonia Varšava and Academy NH Ostrava . This time, however, it was the Czech team that had the better second half of the match and Ostrava gained a big victory. In the third match of the day, the Slovak team BSC Bratislava faced the Polish team BC Swiss Krono Źary . BSC did not enter the match in the best possible way and lost several points after the first quarter. However, halfway through the match, they were already leading by several points, but then a complete collapse followed. What else can you call a quarter without a point scored and Źary thus gained a decisive lead. BSC played a balanced match with Ostrava in the afternoon part of the program, but despite the improved performance it was not enough for victory.

On Saturday, Ostrava also "broke their teeth" at Źary, which is being led by their new reinforcement from Zielona Góra. Ostrava also played another tough match against Písek. The Hornets are stinging the "miners" as hard as they can and winning by ten points.

On Sunday, the "Hornet Swarm" will also drive BSC players around the field, confirming the silver medal win. A dramatic match took place between Źary and Polonia. Źary has a slight lead throughout the match and, thanks to a seven-point win, they are assured of winning the bronze medals. In the last match of the tournament, the home team did not give Ostrava a chance to think about winning and thus secured the gold medals.
