

ŠBK Galaxy Košice wins the U15 tournament

The twelfth tournament of the U15 category took place in Frýdek-Místek. The Slovak team ŠBK Galaxy Košice won the gold medals. The Czech teams from Frýdek-Místek and Litoměřice tried their best to make the Slovak team's path to gold more difficult.

In the first match, the home team Basketpoint Frýdek-Místek literally demolished the German team HAKRO Merlins Crailsheim . However, it must be said that the German team arrived at the tournament with a significantly weakened lineup. In the second match, which is played by two Polish teams - MKS Basket Szczawno Zdrój and Oknoplast Inter-Bud Kraków the latter is better. In the third quarter, Szczawno Zdrój took control of the match and won comfortably. The last match of the first round was played by the Czech team Slavoj BK Litoměřice and the Slovak team ŠBK Galaxy Košice . Litoměřice did not let the Slovak team breathe throughout the match and they had to fight for their lives. In the end, however, it was a victory for Košice by eleven points. Another match between Frýdek-Místek and the Polish team Szczawno Zdrój was also interesting. Basketpoint had a significantly worse first half of the game, but hid their strength in the second half and outscored their Polish opponent by nine points.

On Saturday, it was "fun" until the early evening. First, after an even game, Szczawno Zdrój surpassed Litoměřice by fourteen points. This was followed by an imaginary final of the tournament between the home team and the Slovak team from Košice. The home team loses slightly throughout the match, always pulling back by a few points, then making some minor mistakes and Košice rebounding again. The Slovak team eventually wins by ten points.

On Sunday, Litoměřice will beat the German team HAKRO Merlins Crailsheim . In the second match, the home team gambles with its position in the silver position, when after three quarters it holds a balanced score with Oknoplast. It finally manages the match and can rejoice in the silver medals. In the last match, Szczawno Zdrój keeps up with the team from Košice in the first half of the match. The decisive part is the third quarter, where Košice gains a twenty-point lead and is on its way to winning the tournament and winning the gold medals.
