

AK Orly Wroclaw wins the U13 tournament

The 14th U13 tournament was hosted by the Polish city of Ostrów Wielkopolski. The clear winner was the Polish team AK Orly Wroclaw, which has not yet found a winner this season and can already prepare for the final tournament. The tournament will be hosted by the Polish city of Żary at the end of April.

The tournament was played in an unconventional way with five participants. In the first match, the home team AK Stal Ostrów Wielkopolski resisted the eventual winner AK Orly Wroclaw for less than half an hour. However, they subsequently lost heavily. The second match was already very interesting. The match between the Czech team Válečníci Děčín and the Polish team WKK Wroclaw was a real "carving". After a bad start to the match, the Polish team patiently erased the lead of the warriors from Děčín. After the third quarter, the scoreboard showed a difference of only one point for the warriors. In the last quarter, they fought for every ball and in the end WKK won by a single basket. In the last match of the day, AK Orly Wroclaw outclassed the Slovak team MBA Prievidza .

Válečníci Děčín apparently like dramatic matches, so they indulge in them in Saturday's program with the home team. Throughout the match, the difference in the score is absolutely minimal. This time, however, the Czech team is happy with a victory by four points. Such a match should be included in the category - must-see.

Sunday offered only two matches. However, fans of all the teams involved will certainly not be bored and will certainly have a lot of experiences and emotions. First, we have the match for the bronze medal between Děčín and Prievidza on the menu. And Děčín spoiled the score in the finals of the match to 1:2 and the Slovak team wins the bronze medal. In the last match of the tournament, the home team, after a disastrous start to the match, really tormented WKK Wroclaw . WKK fought their way to a three-point win after a dramatic end to the match, thus confirming the silver medal. The gold went to a certain team AK Orly Wroclaw , which already had the necessary four wins on Saturday.
