

WKS Slask Wroclaw wins the U15 tournament

The 15th tournament of the U15 category took place in the Polish city of Szczawno Zdrój. The winner of the tournament was the Polish team WKS Slask Wroclaw. They won the tournament despite their "fumble" in the opening match against the home team.

The home team MKS Basket Szczawno Zdrój surprised another Polish team WKS Slask Wroclaw , in the opening match. Throughout the match, Slask looked like they were still on the bus, and even though the match ended in a draw, the home team defended their win by three points. In the second match, the Polish team UKS MOS Opole won comfortably over the Czech team Jižní Supi after a draw at halftime. Although BCM Olomouc had a shorter journey to Szczawno Zdrój than the Slovak team BSC Bratislava , they looked more tired on the field and lost by almost thirty points. Olomouc made up for their loss from the opening match in the evening duel with the Polish team UKS MOS Opole . The match was like a seesaw, but Olomouc managed the end better and won by six points.

Saturday starts with an offensive match between the home team and the Slovak team BSC. The players of the Slovak team are more "charged" and win by eight points. The second match of the day between the Polish teams WKS Slask Wroclaw and UKS MOS Opole is a fight for every ball, every meter of the board and the first one did it better and won by seven points.

On Sunday, BSC really ruffled the feathers of the players of the Jižní Supi team and they are packing a heavy defeat on their way home. Slask is also not very good with Olomouc and even the other Czech team is going home with a heavy defeat. In the last match of the tournament, there will be another big, but deserved surprise, when the home team loses quite heavily to UKS MOS Opole team.
