

SKM Zastal Zielona Góra wins The Finals U14

The second final tournament of the year took place in the Polish city of Zielona Góra, this time in the U14 category. The winner of the U14 category for the 2025/2026 season is the Polish team SKM Zastal Zielona Góra. Congratulations.

This year, the final tournament will feature a new system. Eight teams will be competing in two groups of four. The seeding into the groups will be based on the team's placement in the preliminary round. After the preliminary round, only one match will be played for placement. Therefore, if a team wants to play for gold medals, it must win the group.

In group "A" we can watch the matches between the teams BK Gapa Hradec Králové , NINERS Chemnitz Academy , Nitra Blue Wings Academy and the home team SKM Zastal Zielona Góra . Group "B" includes the teams Gromy Nowy Tomyśl , BSC Bratislava , KS Korona 1919 RadwanSport Kraków and BC Uzhhorod .

In the opening match, the home team SKM Zastal Zielona Góra convincingly defeated the weakened Slovak team Nitra Blue Wings Academy . In the second match of group "A" we watch the duel of the German team NINERS Chemnitz Academy with the Czech team BK Gapa Hradec Králové , who arrived at the tournament as a "paper outsider". However, the opposite is true and the Czech team amazes with its game and after a balanced course wins its first victory in the tournament. On Saturday we will record a match where Chemnitz tries to join the fights for medals and shows its best performance in the tournament in a duel with the home team. The latter really worked hard for the win and had to fight for its position throughout the match.

In group "B", the Polish team Gromy Nowy Tomyśl has to fight hard for its position with the Ukrainian team BC Uzhhorod . The Ukrainian team also arrived at the tournament quite incomplete, but this was not at all noticeable in this match. The match went to the end, where the Polish team showed more experience and won by six points. The afternoon program of this group was closed by the match of the "heavyweights" of the Slovak team BSC Bratislava and the Polish team Gromy Nowy Tomyśl . Both teams enter the tournament with only one defeat in the entire regular season of the competition. BSC also counted losses on its roster before the tournament, but for most of the match it was almost invisible. The "break of bread" occurred only after the last quarter of the match. The difference in the score after the third quarter was only three points. However, Nowy Tomyśl managed to increase the lead to twelve points in the last quarter and win. On Saturday, the table was thoroughly shaken by the victory KS Korona 1919 RadwanSport Kraków over Gromy Nowy Tomyśl . After BSC's win over Uzhhorod, we find ourselves in a situation where three teams have the same record of wins and losses. The mini-table of the three teams must decide. In it, Krakow has the worst score, which will therefore play for fifth place. However, BSC has the same score as Nowy Tomyśl on one point and must decide the rule of the head-to-head match, where the Polish team was better, which thus advances to the fight for the gold medals. BSC must accept the fight for the bronze medals.

On Sunday, tired Nitra loses in the battle for seventh place to Uzhhorod. In the match for fifth place, Krakow surpassed Chemnitz after a balanced match. In the battle for third place, enthusiastically playing Hradec Králové met with the disappointed Slovak team BSC. And suddenly, from an underestimated "outsider" of the tournament, we have a deserved bronze medalist. And the tournament closes with a grand final between the home team SKM Zastal Zielona Góra and the Gromy Nowy Tomyśl team, which, after "winning" the battle at the "green table", wants to dominate the final duel. It is a handsome duel, supported by a great spectator backdrop. However, the home team showed a calmer hand in finishing, solid defense and a cool head in the key moments of this battle and thus defends the championship in its category from last year.

Finally, it is fitting to thank the home team of organizers and volunteers for the warm welcome of the teams in Zielona Góra. Special thanks to the main organizer of the home club, Mr. Robert Morkowski, who, even in

times when it was difficult for us, was full of contagious positive energy.
