

BBA Komárno wins the U14 tournament

The twelfth tournament of the U14 category took place in the Polish city of Walbrzych. The "eight brave" team of BBA Komárno showed the best performances and deservedly won the tournament.

In the first match, the home team Górnik Airteam Walbrzych enters the tournament and its opponent is the Czech team BK VIVIDBOOKS Pardubice. The match is very even, in the middle of the match "Beksa" is slightly ahead, but then loses in the third quarter. The match reached an even ending, where the home team showed stronger nerves and won by a difference of three points. In the second match, the Czech team Jižní Supi easily defeated the Polish team Kangoo Basket Gorzów Wielkopolski by a higher difference. Even the last match of the first round between the German academy Thuringia Select Team and the Slovak team BBA Komárno was unambiguous, this time in favor of the Slovak team.

Saturday offered balanced matches only in the early evening. First, the Czech match between Beksa and Jižní Supi. Beksa led by ten points after the third quarter and it seemed that it was fearlessly heading towards winning the match. However, the opposite was true. The vultures' beaks bite into the Pardubice gingerbread and gradually crush it to pieces. In the end, the team from the southern tip of Prague wins by six points. The home team also enters the match against the German academy with the strength of the miner, which they have in their club emblem. Every ball is fought for, difficult shots are made, but in the end the home team is sad due to the loss by four points.

Sunday begins the imaginary final of the tournament between Komárno and Jižní Supi. And the Slovak team, which arrived at the tournament with a limited rotation of eight players, was unstoppable, as if it had not even had the previous four matches in its legs. BBA Komárno thus relatively easily wins gold medals, while the sad Jižní Supi gets silver. In the second match of the day, Beksa unfortunately continued its performances from the tournament, when every time it breathes a sigh of relief, it makes some mistakes and loses the match. This time, it made the German academy Thuringia Select Team happy, which confirms its bronze medal win thanks to its victory over it. In the last match, the home team Górnik Airteam Walbrzych tried to get its second win in the tournament over another Polish team Kangoo Basket Gorzów Wielkopolski. The home team played a very even match, but like Beksa, it makes some mistakes at key moments and loses the match by a difference of four points. Also worth mentioning are the individual performances of players Slugeně and Bohát from BBA Komárno, who finished the tournament with an average of more than thirty points scored in each game.
