# Inter Bratislava dominated the U13 tournament

***The second tournament in the youngest U13 category brought teams to České Budějovice, where teams from the Czech Republic, Poland and Slovakia played. Bratislava's Inter, which did not know the bitterness of defeat, showed a clear superiority over the others.***

The closest match was played by Inter Bratislava right at the start of the tournament with BK NH Ostrava , in which they won 71:49. In all other duels, however, the later winner completely dominated and won them with a difference of at least 59 points.

The silver remained at home, namely with the Sršni Písek team, which organized the tournament in nearby České Budějovice. They also helped themselves to this position with a close win in one of the most balanced matches of the tournament against Ostrava.

Polish Górnik Airteam Walbrzych completed the podium. The unpopular fourth place went to BK NH Ostrava , which lost in close matches not only to Písek, but also to Walbrzych.

In the fight for the only win at the tournament, in another drama, the Slovakian ŠBK Handlová eventually overpowered the Czech opponent Sokol Pražský .
