

SKM Zastal Zielona Góra wins the U14 home tournament

Zastal Zielona Góra wins gold medals at the fifth stop of the U14 category tournaments. Winning the tournament was quite convincing and without a single hesitation.

Due to the demands of the teams, the tournament was drawn in a non-standard way, which apparently affected the results of some matches. BBLZ - Reach the Top team selection, which is based in the picturesque Austrian town of Klosterneuburg, first closed the match schedule on Friday, and then completed three matches on Saturday. At first glance, a very demanding program.

BBLZ thus lost to the Polish team AK Orly Wroclaw in the Friday program, then played a solid game with the Sršni Písek team, but even that was not enough to win. After a short sleep, he had the strength to beat BCM Olomouc, in other duels with SKM Zastal Zielona Góra a Thuringia Select Team they already lacked energy and lost them by a higher margin.

On Friday, a less interesting duel was offered between SKM Zastal Zielona Góra and Thuringia Select Team, which was a duel between the later gold and bronze medalists.

On Saturday, the Sršni Písek team pulled out their stingers in a duel with the home team SKM Zastal Zielona Góra. The Hornets were dangerous after 3/4 of the game and gave the home team a proper heat. In the last quarter, the home team Zastal apparently used a high-quality insect repellent spray :-)) and defeated Srsně by a difference of seventeen points.

Sunday's program was calm, only Thuringia Select Team took their "foot off the gas" too much in the final passage of the match with BCM Olomouc and it almost cost them the victory.
