

BK VIVIDBOOKS Pardubice is the clear winner of the U12 tournament

The fifth tournament of the U12 category took place in the Polish city of Żary. The clear winner of this tournament was the Czech team BK VIVIDBOOKS Pardubice. But more about that in the article.

On Friday's program, the home team BC Swiss Krono Żary lost twice significantly, the first time to Inter, the second time in the match with Beska. The Slovak team BK Inter Bratislava played a very even match with the Polish team NEFROMEDICA UKS SP27 Katowice. The match offered a very low score on both sides, making every basket scored all the more important. In the end, the Polish team had more strength and won by four points. Another match between the Polish team WKK Wrocław and the Czech team Basketpoint Frýdek-Místek was also tied. In this match, there was more joy on the Czech side, as Basketpoint won by two points.

Saturday was Katowice's day. They first struggled to win over the home team, who were a balanced opponent for Katowice throughout the match. In the second match, Katowice were not so lucky and another Polish team, WKK, defeated them by four points.

Pardubice's "Beksa" aka BK VIVIDBOOKS Pardubice sailed through the tournament without hesitation. None of the teams came close to scoring less than twenty points, and considering that most of the matches in this tournament ended with a relatively low score, the difference was absolutely crucial. On Sunday, they will clearly defeat Katowice and win well-deserved gold medals. Basketpoint will win over Inter on Sunday's program, and even that did not secure them a place in the medal positions due to the worse score from the mutual matches with Katowice and WKK. WKK won bronze only in the last match of the tournament, when they defeated the home team. However, it should be mentioned that at least the first half of the match was a worse team.

Final tournament standings:

1. BK VIVIDBOOKS Pardubice (Czech Republic)
2. NEFROMEDICA UKS SP27 Katowice (Poland)
3. WKK Wrocław (Poland)
4. Basketpoint Frýdek-Místek (Czech Republic)
