

NBA Jelenia Góra wins U16 tournament

The fourth tournament in the U16 category was hosted by the Polish city of Stargard. The best performance was given by the Polish team NBA Jelenia Góra, who defeated the home team PGE Spójnia ZS 2 Stargard in the final of the tournament.

The home team PGE Spójnia ZS 2 Stargard faces the Slovak team Dynamo Bratislava in the opening match. The Slovak team kept pace throughout the first half of the match, but in the third quarter the home team gained a double-digit lead, which it maintained until the end of the match. In the second match, another Polish team AK Ożarów enters the tournament and its opponent is the German team Academy Potsdam . The Polish team gained a slight lead at the beginning of the match, which Potsdam tries to catch up with throughout the match, which it fails to do and loses by a difference of eleven points. In the third match of the day, the last participants BK Brandýs nad Labem and NBA Jelenia Góra enter the tournament. Brandýs entered the match poorly and carried the loss from the first quarter until the end of the match and loses by a higher difference. However, in the second match of the day, Brandýs showed a great performance, tormenting the home team throughout the match, but ultimately failing to win.

On Saturday we must mention again the Czech team from Brandýs nad Labem. In the morning match they finally won over another Polish team AK Ożarów . Then in the afternoon program they fought hard with the Slovak team Dynamo Bratislava . In this balanced match they could not win, which subsequently cost them a place in the medal positions in the final accounting. The weak spot for Brandýs is that their player became the best scorer of the tournament.

In Sunday's program, the Slovak team Dynamo Bratislava first confirms its bronze medal win thanks to a victory over the Polish team AK Ożarów . Brandýs won over Potsdam on the way home. And the tournament was closed by the match for first place between the teams NBA Jelenia Góra and PGE Spójnia ZS 2 Stargard . NBA won with a start-finish style and although it was not dominant, we can say that it was controlled.
