

Basketpoint Frýdek-Místek wins the U12 tournament

The first tournament of the U12 category took place in the Polish city of Zielona Góra. The gold medals were won by the Czech team Basketpoint Frýdek-Místek after a heart-stopping final battle.

In the opening match, the home team Basket 4kids Zielona Góra will challenge another Polish team UKS MOS Opole to a duel. The home team decides the match in the first quarter and only increases its lead in the rest of the match. In the second match between the Polish team KS Korona 1919 RadwanSport Kraków and the Czech team Basketpoint Frýdek-Místek we mainly watch the duel of defenses and this is also reflected in the low final score, which is more positive for the Czech team. In the third match, we watch the Czech derby between the teams BK Lokomotiva Plzeň and BBA Brno . And this derby is really interesting. Although Plzeň took a double-digit lead in the first quarter, the game then leveled off and Brno was not going to give up the match. The whole match was fought for, but Plzeň eventually won by seven points. And Brno also had a bad start in the afternoon match with Opole. However, in this match, Brno took the initiative and turned the match in its favor.

On Saturday, the difference in the score of the matches was more than twenty points, with one exception. The Polish match between Opole and Krakow offered the most even match of the day. The score was even at half time. Then the Krakow players took the initiative and controlled the match by a difference of sixteen points.

On Sunday, BBA Brno will first defeat KS Korona 1919 RadwanSport Kraków . In the second match in an imaginary Czech-Polish duel BK Lokomotiva Plzeň will win another victory over the Polish team UKS MOS Opole . The score is now 2:0 for the Czech teams. The bronze medal will be decided by a mini-table of three teams, where the Czech team BBA Brno has the best record.
